5) Issuer's Business, Products and Services

The purpose of this section is to provide a clear description of the issuer's current operations. In answering this item, please include the following:

- A. Summarize the issuer's business operations (If the issuer does not have current operations, state "no operations")

TLD3 is a holding company which now owns Take It 2 the Next Level and Digital Legend.

TLD3' acquisition includes Take It 2 The Next Level Technology (www.takeit2nextlevel.com), the originating developer of a music social networking application technology which is being developed by The Company. Through this acquisition, TLD3 now owns and controls the global marketing and development rights to Streambeatz™ wireless audio streaming technology as well as Take It 2 The Next Levels' music social networking application INPULZE™.

TLD3 Entertainment will remain the parent company, with a business strategy focused on creating, developing and marketing of innovative digital based technologies. The Company plans to create and develop new products as well as acquiring complimentary businesses and technology. The Company will operate several subsidiaries and brand names. Take it 2 the Next Level Technology Inc. will now operate as a wholly owned subsidiary of TLD3 and will be the Company's primary design and marketing arm; Digital Legend will remain as a company brand name for future products.

The Company is a New York, NY based designer and marketer of signature digital platforms for music, entertainment and social media markets. The Company currently has 2 products ready for commercialization, a music social networking application INPULZE™, and a Wi-Fi music streaming player Streambeatz™.

Streambeatz™ is The Company's proprietary music streaming technology platform. Streambeatz™ is meant to provide Ultra High-Fidelity playback of new beyond CD quality music formats like FLAC and Apples' Lossless playback. The Company intends to launch Streambeatz™ as an extensible platform technology that will be presented as a stand- alone music player, integrated into streaming car audio, headphones and other emerging technologies like wearables and Internet Of Things. Streambeatz™ is a wireless mobile audio streaming technology that provides 10x the sound quality at 30% of the cost of its nearest competitors like JVC, Sony, and Beats. The First Streambeatz™ products will be launched 3rd Quarter 2020.

INPULZE™ is an innovative social-networking app for music media and content.
